Greetings from Toro Babies Home in the name of our Lord Jesus Christ.

Toro Babies Home wishes you all the best in whatever you're doing especially in this period of Covid 19.

## HOME STATUS

The Home is moving on well both the children and staff are all fine.

The Home is moving on well with 48 children 24 girls and 24 boys.

We did not get any new child in these two months.

The new twins and their sister Gorret Katusiime Gloria are now fine but Isingoma Simon Joseph developed some complications in his stomach. The doctor said he has Hernia which will need to be operated with time but it's too painful, he cries a lot and cannot sleep well.
